

## CHALLENGING GLASS CONFERENCE 7: PRE-CONFERENCE WORKSHOPS ARTISANAL GLASS MAKING

---

Have you ever imagined how it feels to blow glass or to make your own drinking glass? This is your chance! In collaboration with an external partner, Challenging Glass 7 participants have the exclusive opportunity to participate in one or two of the following pre-conference workshops on artisanal glass making by experienced glass artists. No specific prior knowledge nor skills are required.

**DATE:** Wednesday, June 17th, 2020.

**PRICE:** 95 EUR (excl. VAT) per workshop (see conference registration form).

**PARTICIPANTS:** Min. 8 and max. 10 participants per workshop. Open exclusively to CGC7 participants.

**LOCATION:** 1.5 km (18 min. walk) away from the conference venue, near Ghent city centre.

Final confirmation and practical details will be sent to registered workshop participants ultimately one week before the event.

### GLASS BLOWING

---

In this introductory workshop, you will have the experience of shaping the glass, and blowing it into a hollow round form. You will create a colourful and unique hanging ornament or a small hollow bowl.

**Workshop 1:** 11:00-13:00

**Workshop 3:** 16:10-18:10 (identical content as Workshop 1)

### MAKE YOUR OWN DRINKING GLASS

---

In this introductory workshop, you will have the experience of forming, blowing, and transferring the glass to open your own unique drinking glass. The object is yours to take home the following day.

**Workshop 2:** 13:20-15:50

**Workshop 4:** 18:30-21:00 (identical workshop as Workshop 2)
